The following Standards and Criteria are applicable to all Reproductive Endocrinology and Infertility (CREI) training units in both Australia and Aotearoa New Zealand but allow for variations in location and function.

It is recognised that not all individual training locations can provide the depth and breadth of training necessary to fulfil all the requirements of the subspecialty training programs. Collaboration and flexibility are necessary to ensure a trainee has the opportunity to meet the requirements across the three years of their training within those units.

Standard Number Standard Conten

STANDARD 1	Support for RANZCOG Officers and Engagement with Unit Accreditation
	Processes

Criteria

- **1.1 RANZCOG Officers are provided with sufficient protected time to enable them to perform their duties effectively.**
- 1.1.1 Program Director

STANDARD 2 Supervision

2.4.2	Consultant position description or statement of duties
	Each consultant's position description or statement of duties clearly stipulates the requirement for consultants to teach and supervise subspecialty trainees. A sample position description of statement of duties should be available for review by the RANZCOG accreditation panel.

2.4.3 Appropriate consultant support

STANDARD 8 Workplace Culture, Safe Working Hours and Leave Arrangements

Criteria	
8.1	A supportive, harmonious workforce culture and team environment is evident
8.1.1	Consultants and workplace culture

Consultants contribute to a workplace culture that is harmonious, respectful, and supportive of training and the delivery of up-to-
